

## Eschatology

Anchor Scriptures: Matthew 24:3-35 & Hosea 4:6

V3: “the disciples came to him privately” – the signs of the end times is something that Jesus only told to His followers, why? Unbelievers are blind to this, only those in the Kingdom can truly see what is going on. Not all information in the Word of God is for every person.

V4: “take heed that no one deceivers you” taking heed means to pay attention. Christ’s FIRST instruction to us when asked about the signs of the end times is that we must PAY ATTENTION AND BE ALERT in order to avoid being deceived. Why? Because of V5.

V5: Shows us that Jesus isn’t worried, or at the very least even slightly concerned about other religions, people are coming claiming to be Him! Not Allah or Buddha or Brahma, Haile Sellase, Guru Nanak, Dalai Lama or whatever, no! No man is coming claiming to be them, they’re coming claiming to be JESUS CHRIST!

**Why? Because it’s all about Him! (In a sense) He’s the universe’s main character, because it’s all about Him!**

Jesus tells us that those people who will come in His name, saying, “I am the Christ” will deceive many.

So we already need to prepare for the fact that many people are going to follow the wrong person and be led astray as a result of it. It is a very sad reality, which is why we must constantly pray and intercede and let the love of God flow through us so that as many people as possibly can be touched by the Holy Spirit so that they may turn from their wicked ways and follow Jesus Christ wholeheartedly.

V6: “And you will hear of wars and rumours of wars” – this barely needs any explanation, we grew up hearing of many many wars, whether they were in Iraq and Iran, Afghanistan, the Yemeni Civil War that started in 2014 or the Tigray war that started in 2020 involving Ethiopia, Eritrea & Sudan. Even at the beginning of 2020 for most of the month of January and a bit of February there were rumours of WW3 getting ready to happen.

What does all this mean? It means that there’s absolutely no denying, we are the end times! We need to prepare spiritually for everything that’s happening and getting ready to happen!

**Every trouble, every problem, every issue, every obstacle, every demon every devil every spiritual attack you've ever faced or are currently facing, the simple fact that God has allowed it to remain in your life and He hasn't removed it completely just yet, is a sign that He is allowing that "issue" to train you and strengthen you for what is to come. Always remember that God works out all things for the good of those who love Him (Romans 8:28)**

V8: All these things we see happening are just the BEGINNING of sorrows for the world

V12: This is EXACTLY why we need to keep obeying God and sticking to His Law. The introduction of God's glorious Grace did not abolish Law, Law is still necessary as it keeps our love from growing cold (this is an easy deduction to make as we can see that the abundance of lawlessness is what causes people's love to grow cold) – when you can do absolutely anything, you stop caring about anything

V14: Jesus clarifies WHAT GOSPEL is the true gospel that must be preached. It is the Gospel of the Kingdom. Many people are preaching Jesus but not preaching what Jesus preached. Jesus did not preach Himself, He preached and proclaimed the Kingdom. It was the first public statement He made (Matthew 4:17) after having been baptised in Jordan and tempted in the wilderness. It is also the reason why He was sent, as evidenced in Luke 4:43 & Mark 1:38

V15: Jesus mentions Daniel's visions and prophecies and the abomination of desolation, Osasu may speak more on this

V21 & 22: The trouble that's coming, the tribulation that's in the future, will be the worst period in human history. So bad, that if the Lord allows that period of time to carry on, it'll result in the end of all of us. By no flesh being saved it could (in my perspective) mean one of 2 things; no flesh would be saved in the sense that all would die or that all people would become merged with technology in this transhumanist revolution we are seeing beginning to take effect right now. People are putting chips in their hands, Elon Musk has a company called Neuralink to put a chip in people's brains to connect them to the internet etc.

V34: This verse explains itself, the generation that's seeing these signs will not pass away until all these things take place

V37: Days of Noah, Genesis 6, the Nephilim, The Book of Enoch etc.

### **Conclusion:**

Satan is the god of this world (2 Corinthians 4:4) and he's involved in essentially every industry and social strata in this global system, whether it's banking and finance, education and schooling, music and fashion, you name it – he's involved. And to make matters worse, the worship of satan is coming out of the occult (which means secret/hidden things) and coming out in the open (provide 2 simple examples) so people are no longer ashamed at the fact that they have given themselves over to the devil; they've given their lives to him and are spreading his doctrine with wicked smiles on their faces – don't you see how satan is trying his best to be just like God! Having people give their lives to him and spread his own twisted gospel, it's all in his original evil plan to ascend past the Most High as we are told in Isaiah 14:14. It's practically impossible to defeat him....unless you have Jesus!
