The LIFE Creations mentors are architects designed to accomplish LIFE Creations' goal to build giants by diligently and consistently being by the side of all of LIFE Creations' clients and partners in order to help them accomplish their desired goals. Mentors are some of the core motivators to LIFE Creations' clients and customers by assuring all of their needs are met and that they are constantly filled with wisdom, positivity and joy. The mentor is responsible for bringing out the best in the mentee they have been allocated.

The mentor would naturally be in alignment with who the mentee aspires to be. I.e. A young boy wanting to get into finances etc. will be allocated an active investor who has a passion to build people to excel. The mentor will design the time around their time schedule of which them and the mentee can build goals, set targets and progress accordingly. There are different type of mentoring programmes: one on one stretched over 12 hours as a minimum target or a 12 month programme of which the mentee will have to have become an ambassador to participate with such length.

Mentor must:

- Be diligent
- Great with time
- Amazing interpersonal and personal skills
- Excellent at recording data, information
- Organised
- Able to demonstrate commitment
- Very responsive and alert
- Be eligible to work in the UK
- Be able to provide at least 2 excellent references

If successful, candidate will be monitored for a month before becoming a permanent member of staff. Paid work throughout
